

St George State School

Enrolment Procedure

Parents/Carers are advised of the following steps for student enrolment:

- 1. Request an Application for Enrolment package from the office or download a copy from our school website www.stgeorgess.eq.edu.au.**

Enrolment packages contain: Application for Enrolment, School Handbook, Student Code of Conduct, Application for P&C Membership, QParents information sheet and Hearing Day permission form.

- 2. Submit the completed application to the school office, together with the student's Birth Certificate.**

Office staff will sight the Birth Certificate and ensure the details match the enrolment form.

- 3. Enrolment interview will usually be made within 3 school days of receiving the completed application.**

- 4. Parent/Carer and prospective student attends enrolment interview with a member of the Leadership Team.**

Enrolment interviews assist our school to learn about your child and share key information relating to our school. This is a critical process in supporting your child's successful transition to our school community. If applicable, families are requested to provide a copy of any court orders, asthma or anaphylaxis action plans, or any reports relating to any medical diagnosis.

- 5. Provided all information is supplied, prospective student will usually start at St George State School within 3 days of enrolment interview.**
