

## 2024 Booklist

This year the P&C Association Queensland received funding from St Vincent De Paul Society to purchase school supplies for every student at our school. With this funding the school has purchased supplies for all students for 2024. The funding was also able to be used to purchase new books for the library and 4 sets of classroom readers. What a wonderful way to finish the year.

Due to this generous donation, the supplies required from parents is very minimal for next year. Please see below for the remaining items that need to be supplied by families at the beginning of 2024. Thank you so very much St Vincent De Paul Society.
